1. From the drop down menu click on benchmark comparison

2. Check that your roster Grade and Period are correct. If they are not correct change and click view refresh

3. If the assess ticket is in Green the students test is unlocked and will be taken on a Chromebook. The student will need their testing ticket to log in.

If the assess icon is Blue the students test need to be unlocked, Put a check in the box next to the students name and click unlock

4. Before the students log on to the chromebook you must put a check next to their name and click Unlock in the upper right hand corner

5. If the students exits out of the test you can click on the ticket and resume their test

6. Reading only once the students finish the benchmark test on the computer the teacher must give the ORF benchmark one on one. Teacher will need a chromebook and the student will need the benchmark ORF reading passage. Teacher will click on the Assess icon to begin.
