

Mclass Math- Progress monitoring

1. Go to <https://mclass.amplify.com/assessment>

2. Log in with your username and password
3. On the main screen click on the icon Math
4. Click on the student you want to assess
5. Students that are red or yellow will be progress monitored

6. You will progress monitor on the recommended lowest skill. Once the lowest skill progress monitored turns green move onto the next lowest recommended skill. This skill will also be the skill you will use for your intervention. You can use the Activities for you intervention.
